

Student-Athlete Priority Registration Petition

All IUPUI student-athletes are permitted to register on the first day of priority registration in order to enroll in classes that do not conflict with practice and minimize missed class for travel. Early registration for student-athletes is a privilege and all student-athletes are expected to register on that day unless there are circumstances outside their control that prevent them from doing so.

Explain the extenuating circumstances that prevented you from registering on Student-Athlete Priority Registration day. Extenuating circumstances are a situation that was outside of your control.

Explain how you will ensure that you register on Student-Athlete Priority Registration day in the future:

Submit this petition to your athletics advisor via email. If the request is approved, you will be assigned a new enrollment appointment during priority registration. If the request is denied, you must wait until open enrollment to register. Your athletics advisor will notify you via your IUPUI email address of the decision.
